# Closer 2022 Youth Retreat

Inspire, improve, empower.

## About us.

Adventist Youth on a Mission, (AYM) is an independent supportive Seventh day Adventist ministry based in the USA. Our goal is to ignite the fire of passion for mission in the lives of fellow Adventist youth, equipping them to spark that flame in all the world.

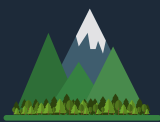

## Closer, 2022 Retreat

Are you ready to discover the blessings of a life with Jesus? Are you ready to surrender fully to God, to hear His call, and connect with like-minded young people? Find all this, and more, at the 2022 AYM retreat, Closer.

**Christian Young People**

Looking for Christian young people to encourage you in your walk with God? Here at AYM, we believe in the power of community, and our mission is to connect young people with other good influences, and ultimately, God. (Note: Retreat is geared specifically for ages 12-20, family members are welcome, though.)

**Natural Surroundings**

An esteemed author once wrote, "the things of nature are the Lord's silent ministers, given to us to teach us spiritual truths." All the AYM Ontario retreats, recognizing the power of nature, is intentional about including the natural world in the fabric of our retreats.

**Practical Seminars**

The purpose of the AYM Ontario retreats is not just to make lots of friends, or even to have lots of fun. More than anything else, our goal is to train, teach, and equip our attendees for ministry through 5 inspiring sermons at the retreat.
